

Renewable Electricity Certificate

Presented to

KINGSLEY PLASTICS LIMITED

in recognition of your commitment to choosing a green energy source and reducing your carbon emissions.

ENGIE will supply you with **1,208,178** kWh of UK generated 100% renewable electricity, certified by UK Renewable Energy Guarantees of Origin for the period:

01/08/2022 to 31/03/2026.

Thank you for your ongoing commitment towards a greener future.

Gary Proctor
Managing Director
Business Energy and Services
ENGIE UK & Ireland
